

# GUIDED TOUR **APIMELL**

## 3<sup>rd</sup> to 5<sup>th</sup> March 2017

On the occasion of **APIMELL Show** (International Trade Fair of beekeeping - producers, products and equipment), that is going to take place in Piacenza (ITALY) from **3 to 5 March 2017**, Studio Luigi Stefanini is organizing some guided visits to the fair for groups and delegations interested in beekeeping sector.

The important exhibition, now at its 34th edition, is promoted and organized by Piacenza Expo Ltd. If you are interested in our proposal we can organize (after your evaluation of our prices) a visit to APIMELL that will

include contacts with exhibitors, as well as some visits to beekeepers and to some of the most important Italian companies outside fair, operating in this field (or other initiatives of your interest).

On your request, we could also help you with all the logistics questions, such as finding free-tickets for the Fair, hotel booking and accommodation, restaurants, transfers by bus or other means etc.

With APIMELL you could also visit the two related exhibitions **BUON VIVERE** (sales exhibition about Food and Beverage), and **SEMINAT** (sales exhibition about ornamental and agricultural plants, floriculture, gardening seeds and supplies).

## PROGRAMM

The visiting program we are proposing to you is the following:

### **Day One**

Visit to APIMELL and two other exhibitions: stands, scheduled contacts with exhibitors, eventual participation in scheduled meetings, meetings with beekeeping Associations etc.

### **Day Two**

Visits to some local beekeepers.

### **Day Three**

Visits to beekeeping manufactures: honey production and processing; production and selling of beekeeping equipment, machinery and plants.

If you are interested in visiting APIMELL and all the other events connected to this Show (from 3 to 5 March) with your delegation or group, please do not hesitate to send us an e-mail with all your requests and eventual questions and we will reply to you soon with a detailed itinerary for 3 days in Piacenza and its related budget proposal.
